## **Information on the registration process for OGTS at OHM-Gymnasium in Erlangen**

Dear parents and legal guardians,

you have already familiarized yourself with the modalities and requirements of our OGTS on the homepage.

Please note that your child's registration is binding for one school year when you sign the contract. This means that the number of days you select in the contract is irrevocably set for the upcoming school year and cannot be reduced.

However, it is still possible to book additional days until November of the same year. So if you realize at the beginning of the school year that 2 or 3 days are not sufficient, you can add 1 or 2 days.

The distribution of weekdays for 2 or 3 days will take place at the beginning of the school year, as you will receive a separate parent information letter for this. In the case of 4 days, the distribution is set from Monday to Thursday.

On Fridays care is provided by the Johanniter through a supplementary contract for which you have to pay. This additional contract also includes care from 4:00 PM to 5:00 PM from Monday to Thursday.

The contractual commitment results from the state funding of the free OGTS places.

If you have any questions, please do not hesitate to contact us!

Kind regards
